**I've Learned....** - Written by Andy Rooney, a man who has the gift of saying so much with so few words.

- I've learned....That the best classroom in the world is at the feet of an elderly person.
- I've learned....That when you're in love, it shows.
- I've learned....That just one person saying to me, "You've made my day!" makes my day.
- I've learned....That having a child fall asleep in your arms is one of the most peaceful feelings in the world.
- I've learned....That being kind is more important than being right.
- I've learned....That you should never say no to a gift from a child.
- I've learned....That I can always pray for someone when I don't have the strength to help him in some other way.
- I've learned....That no matter how serious your life requires you to be, everyone needs a friend to act goofy with.
- I've learned....That sometimes all a person needs is a hand to hold and a heart to understand.
- I've learned....That simple walks with my father around the block on summer nights when I was a child did wonders for me as an adult.
- I've learned....That life is like a roll of toilet paper. The closer it gets to the end, the faster it goes.
- I've learned....That we should be glad God doesn't give us everything we ask for.
- I've learned....That it's those small daily happenings that make life so spectacular.
- I've learned....That under everyone's hard shell is someone who wants to be appreciated and loved.
- I've learned....That the Lord didn't do it all in one day. What makes me think I can?
- I've learned....That to ignore the facts does not change the facts.
- I've learned....That when you plan to get even with someone, you are only letting that person continue to hurt you.
- I've learned....That love, not time, heals all wounds.
- I've learned....That the easiest way for me to grow as a person is to surround myself with people smarter than I am.
- I've learned....That everyone you meet deserves to be greeted with a smile.
- I've learned....That there's nothing sweeter than sleeping with your babies and feeling their breath on your cheeks.
- I've learned....That no one is perfect until you fall in love with them.
- I've learned....That life is tough, but I'm tougher.
- I've learned....That opportunities are never lost; someone will take the ones you miss.
- I've learned....That when you harbour bitterness, happiness will dock elsewhere.
- I've learned....That I wish I could have told my Dad that I love him one more time before he passed away.

**Parish Cook Book**  
 We are looking to updating our parish cook book. First published about 15 years ago using favourite recipes from parishioners. We are blest with multi-cultural parishioners who have family recipes from every Continent. Do you have a family recipe we could use in our new updated version? Ideally you would have tried and tested your recipe. Please contact the Parish at [clarksonparish@gmail.com](mailto:clarksonparish@gmail.com)

- I've learned....That one should keep his words both soft and tender, because tomorrow he may have to eat them.
- I've learned....That a smile is an inexpensive way to improve your looks.
- I've learned....That I can't choose how I feel, but I can choose what I do about it.
- I've learned....That when your newly born grandchild holds your little finger in his little fist, that you're hooked for life.
- I've learned....That everyone wants to live on top of the mountain, but all the happiness and growth occurs while you're climbing it.
- I've learned....That it is best to give advice in only two circumstances; when it is requested and when it is a life threatening situation.
- I've learned....That the less time I have to work with, the more things I get done.
